### **Additional information**

- As a school, we are concerned about the increase in congestion at the beginning and end of the day so would politely request that all parents continue to wear face masks.
- Once you have collected your children, please avoid congregating and leave the site swiftly.
- Due to the return to statutory times, particularly at the end of the day, we envisage that traffic will increase. We would advise that where possible children and parents walk to and from school. If you do need to use a car, please drive and park with due care for our pupils and the community.
